#### **DSCC Security Officers:**

DSCC security officers have the authority to ask persons for identification and to determine whether individuals have lawful business at DSCC. Security officers have the authority to issue parking tickets, which are billed to financial accounts of students, faculty, and staff. Security officers are non-commissioned, do not carry weapons and do not have any authority, under applicable Tennessee laws, to arrest or detain any person on a DSCC campus or at a Center.

Criminal incidents are referred to the local police who have jurisdiction on the campus or at the centers. The security officers, Director of Physical Plant and center directors maintain a highly professional working relationship with local law enforcement agencies at each location. DSCC strongly encourages its Campus Security Authorities (CSA) to inform all crime victims and witnesses of the procedures to report crimes on a voluntary, confidential basis to campus security and local law enforcement agencies, as well as local pastoral and professional counselors. Prompt reporting will assure timely warning notices on campus and timely disclosure of crime statistics included in the annual disclosure of crime statistics.
