

DSCC Benefit in the Event of an Employee Death Policy

I. Purpose

It is the policy of Dyersburg State Community College (DSCC) to establish a procedure to ensure that survivors of deceased employees are promptly informed regarding payment of earned wages and any other benefits to which they may be entitled. Upon employment, employees will be provided a Designation of Beneficiary form (that will facilitate such disbursement in the event of death.)

II. Scope

This policy applies to all Dyersburg State Community College employees.

III. Policy

Notification Process:

The supervisor or department head of a deceased employee shall notify the Office of Human Resources of the employee's death, date of death, as well as the name of next of kin and/or the executor/administrator of the estate, if known.

The Office of Human Resources shall notify appropriate institutional personnel (Vice President and/or Dean, Payroll, etc.) and agencies/vendors (retirement, insurance, flexible benefits, supplemental annuities, etc.) of the employee's death.

In addition, the Office of Human Resources shall contact the survivor(s) and/or executor/administrator of the estate to advise them of available survivor assistance services and to request documentation required for release of final compensation payments.

The Office of Human Resources shall initiate the appropriate form to terminate the employee. Payment of earned salary and other benefits will be disbursed in accordance with TCA §30-2-103, TCA §8-50-808, and current IRS rules and regulations regarding taxation and social security deductions.

If the employee completed a Designation of Beneficiary form, payment(s) will be made to the beneficiary(ies), provided a death certificate or physician's statement has been received.
