

## DSCC Student Conduct

### **I. Purpose**

Consistent with the Tennessee Board of Regents (TBR) policy 3.02.00.01, Dyersburg State Community College (DSCC) will take such action consistent with this policy as may be necessary to maintain college conditions and preserve the integrity of the institution and its educational environment.

### **II. Scope**

This policy is applicable to DSCC students and student organizations. This policy shall be subject to prior review and approval by the TBR Offices of General Counsel and Academic Affairs.

### **III. Policy**

#### **I. Policy Statement**

- A. Students enrolled in DSCC are citizens of their civic communities as well as the academic community. As such they are expected to conduct themselves as law-abiding members of each community at all times.
- B. Admission to DSCC carries with it special privileges and imposes special responsibilities apart from those rights and duties enjoyed by non-students. In recognition of the special relationship that exists between DSCC and the academic community which it seeks to serve, the Tennessee Board of Regents (“TBR” or “the Board”) has authorized the presidents of the institutions under its jurisdiction to take such action as may be necessary to maintain conditions on DSCC owned and controlled property and to preserve the integrity of DSCC and its educational environment.
- C. Pursuant to this authorization and in fulfillment of its duties to provide a secure and stimulating atmosphere in which individual and academic pursuits may flourish, DSCC has developed the following policy, which is intended to govern student conduct under its jurisdiction.

## DSCC Student Conduct

- D. DSCC under the jurisdiction of the TBR is directed to implement policies subject to, and consistent with, TBR Policy 03.02.00.01 General Policy on Student Conduct.
- E. In addition, students are subject to all federal, state and local laws and ordinances. If a student's violation of such laws or ordinances also adversely affects DSCC's pursuit of its educational objectives, DSCC may enforce its own policies regardless of the status or outcome of any external proceedings instituted by other civil or criminal authorities.
- F. Students are responsible for compliance with this policy and with college policies and regulations.
- G. Disciplinary action may be taken against a student for violation of policies and regulations that occur on DSCC owned, leased or otherwise controlled property, while participating in international or distance learning programs, and off campus, when the conduct impairs, interferes with, or obstructs any college activity or the mission, processes, and functions of the college. In the case of violations that occur off college owned, leased, or controlled property, DSCC will take into account whether the violation impairs, interferes with, or obstructs any college activity, or the mission, processes, and function of the college, including, but not limited to, conduct that:
1. occurs in connection with any DSCC activity, including but not limited to, international, distance, online, or remote learning programs, athletics events and other extracurricular activities, clinical, internship, practicum, and similar activities;
  2. occurs while using DSCC resources, such as computers and network systems;
  3. involves or affects another member of the TBR community (a student, faculty, staff member, or guest of a TBR institution); or
  4. poses a credible, serious threat to the health and safety of the college community.

## DSCC Student Conduct

- H. This policy, and related material incorporated herein by reference, is applicable to student organizations as well as individual students. Whether a student organization will be held responsible for a violation of these rules by one or more of its members will be based on the following considerations:
1. the violation is endorsed by the student organization or any of its officers. “Endorsed by” includes, but is not limited to, active or passive consent or support, having prior knowledge that the conduct was likely to occur, or helping to plan, advertise, or promote the conduct;
  2. the violation took place during the course of an activity paid for by the student organization or by members of the student organization to support the activity in question;
  3. the prohibited conduct occurred on property owned, controlled, rented, leased, or used by the student organization or any of its members for an organizational event;
  4. the prohibited conduct was related to initiation, admission into, affiliation with, or as a condition for continued membership in the student organization; and
  5. one or more officers of the student organization had prior knowledge or reasonably should have known the prohibited conduct would likely take place.
- I. Confidentiality of Discipline Process. Subject to the exceptions provided pursuant to the Family Educational Rights and Privacy Act of 1974 (FERPA), 20 U.S.C. 1232g, the Tennessee Public Records Act, T.C.A. § 10-7-504, and/or other state and federal law, a student’s disciplinary records and files are considered “education records” and are confidential in accordance with those statutes.
- J. Matters involving sexual harassment, sexual assault, stalking, domestic violence, and dating violence occurring within an education program or activity, if within the scope of TBR Policy 6.03.00.00, Sexual Misconduct, / DSCC Policy 10:04:02:00 Sexual Misconduct which implements 34 C.F.R. Part 106 related to Title IX of the Education

## DSCC Student Conduct

Amendments of 1972, shall proceed in accordance with TBR Policy 6.03.00.00, Sexual Misconduct / DSCC Policy 10:04:02:00 Sexual Misconduct, and not this policy.

### I. Disciplinary Offenses

- A. Disciplinary measures shall be imposed according to this policy and applicable procedures and processes.
- B. DSCC shall use the “preponderance of the evidence” standard. A preponderance of the evidence means the greater weight of the evidence or that, according to the evidence, the conclusion sought by the party with the burden of proof is the more probable conclusion.
- C. These rules shall not be used to violate rights guaranteed under the constitution of the State of Tennessee or the constitution of the United States.
- D. DSCC shall adopt and publish notice of offenses for which both individuals and student organizations may be subject to disciplinary action.
- E. Both students and student organizations may be subject to disciplinary action for the following disciplinary offenses identified in this policy:
  - 1. Threatening Conduct. Any conduct, threatened conduct, or attempted conduct that, poses a threat to a person’s safety, health, or personal well-being including, but not limited to, endangering the health, safety, or welfare of any person; engaging in conduct that causes a reasonable person to fear harm to his or her health, safety or welfare; or making an oral or written statement that an objectively reasonable person hearing or reading the statement would interpret as a serious expression of an intent to commit an act of unlawful violence to a particular individual or group of individuals;

2. The instructor may order the temporary removal or exclusion from the class of any student engaged in disruptive conduct or other conduct that violates this policy for each class session during which the conduct occurs. Extended or permanent exclusion from the classroom, beyond the session in which the conduct occurred, or further disciplinary action can be effected only through appropriate procedures.

#### B. Academic Misconduct

1. Academic misconduct is prohibited. Students guilty of academic misconduct, either directly or indirectly, through participation or assistance, are immediately responsible to the instructor of the class. 2. An instructor who determines that a student has engaged in academic misconduct may choose to exercise academic discipline by lowering to any extent, including to a grade of "F" or "zero," a student's grade in the course, assignment, or examination affected by the alleged academic misconduct.

If the student does not respond in writing within five (5) days by either accepting or appealing the academic discipline to the DSCC Student Affairs Committee, the student waives the right to contest the academic discipline, at which time it becomes final.
6. The DSCC Student Affairs Committee shall consist of at least three (3) individuals and include at least one (1) student. The Dean of Student Services will assemble the committee and coordinate the hearing but will not participate on the committee. Any individual who has an interest in the incident, a conflict of interest, or a bias is not permitted to serve on the committee.
7. The DSCC Student Affairs Committee will set a hearing date that is within fifteen (15) business days of receipt of date of the student's appeal. The student must receive at least seven (7) calendar days' notice of the date, time, and location of the hearing. A student will be notified of the due process protections provided for in this policy.

## DSCC Student Conduct

8. The DSCC Student Affairs Committee will conduct the appeal hearing, consider the evidence presented, and make a decision based on a simple majority vote using a preponderance of the evidence standard. The committee can either uphold, overturn, or lessen the academic discipline. The results of the committee's decision will be conveyed to the student in writing, through the Dean of Student Services, within ten (10) business days of the hearing.
9. If the DSCC Student Affairs Committee upholds or lessens the academic discipline, the student may appeal in writing to the Vice President of Academic Affairs and Student Success within five (5) business days following receipt of the decision of the committee. The Vice President of Academic Affairs and Student Success will make a decision within ten (10) business days. The decision is final.
10. The Vice President of Academic Affairs and Student Success or the Dean of Student Services has the ability to extend any deadline in this section for good cause and upon written notice to the student.
11. In addition to academic discipline, a student who is found responsible for academic misconduct, either one or more times, may be subject to disciplinary sanctions in accordance with this policy.

When restitution is required, the student or student organization is obligated by the appropriate college authority to compensate a party or parties for a loss suffered as a result of disciplinary violation(s). This action may take the form of appropriate service, monetary compensation, or material replacement. Any conduct in further violation of this policy while on probationary status or the failure to comply with the terms of the probationary period may result in the imposition of further disciplinary action;

9. Expulsion. Expulsion entails a permanent separation from the college. In any case of interim or involuntary withdrawal or suspension, the student, or student organization, shall be given an opportunity at the time of the decision, or as soon thereafter as reasonably possible, to contest the suspension in accordance with this policy;

- C. The Vice President of Academic Affairs and Student Success is authorized, either personally or through a designee, to negotiate a mutually acceptable resolution to any disciplinary proceeding or to rescind or convert any sanction imposed to a lesser sanction.

- B. The Dean of Student Services or other administrator designated by DSCC is responsible for matters within the scope of this policy, except that the Vice President of Academic Affairs and Student Success is responsible for matters related to academic misconduct. ## DSCC Student Conduct

procedures will apply and advise the student or student organization in writing of the decision.

At all times the burden of obtaining evidence and establishing a violation shall be on the college.
  2. In the event of bias or conflict of interest by an college official, DSCC may appoint a substitute, who may or may not be employed by the college.
  3. The investigator shall conduct an appropriate investigation, which may include interviews of the parties and witnesses, as well as review of documents and other information. The purpose of the investigation is to determine whether the evidence establishes a violation of college policy and procedures. The parties are encouraged, but not required, to provide information that they want the investigator to consider.
  4. The investigator shall provide written notice of receipt of a written complaint or the decision to initiate an investigation.
  5. The investigator shall notify students that the college will comply with FERPA and only disclose information in accordance with FERPA and other applicable law.

## DSCC Student Conduct

6. The investigator shall prepare a report summarizing the investigation. The report shall include, but not be limited to, the dates of the alleged occurrences, the response of the respondent, the findings of the investigator, and recommendations regarding disposition of the complaint.
7. The report shall be submitted to the Vice President of Academic Affairs and Student Success within sixty (60) calendar days following receipt of the complaint, absent cause for extending the investigation timeline. In situations where more time is needed to complete the investigation, written notice shall be provided to the parties explaining the reasons.
8. The Vice President of Academic Affairs and Student Success shall review the investigator's report and shall make a written determination as to whether this policy, and college policy, processes, and procedures have been violated and the appropriate disciplinary sanction, if any. The Vice President of Academic Affairs and Student Success determination and the investigator's report shall be provided to the parties, unless prohibited by law.
9. Either party may send a written request to reconsider to the Vice President of Academic Affairs and Student Success within ten (10) working days, absent good cause, of receipt of the determination.
